

Community Experience Program

165 Ocean Terrace
Bridgeport, CT 06605
(203) 368-6511

Sponsored by the Connecticut Department of Developmental Services, Goodwill's Community Experience Program provides community-based and individual activities to people with severe and/or multiple disabilities in programs in Bridgeport, Greenwich and Hartford.

The program offers a wide range of daily in-house and community based activities. These activities promote social integration, improved health and fitness, creativity and skills development. Community-based activities include volunteer work, visits to museums and libraries as well as trips to nature centers, parks, and zoos. In-house activities include use of Nintendo Wii, music therapy sessions, indoor bowling, a sensory room and crafts activities.
