Goodwill Business Services provides local companies with cost-effective, high-quality, and professional labor solutions. Our services reduce payroll costs by providing skilled workers and supervision at competitive rates. Goodwill work crews can travel to your place of business or outsource work to one of facilities in Bridgeport, Hartford, or Greenwich.

Our teams can provide assistance with the following:

- Quality Control Inspection
- Housekeeping
- Assembling
- Packaging
- Dish Washing
- Collating/Sorting
- Labeling
- Custodial Services
- Auto Cleaning
- Landscaping
- Snow Removal

Goodwill's trained and professional staff can help your company achieve production goals on a long-term or short-term basis. Our business proposals are designed to best suit the needs of your company and can include labor, supervision, and materials in one cost-effective package.

Each Goodwill employee is fully covered under our General Liability and Worker's Compensation Insurance which provides coverage for claims due to loss of property or personal injuries resulting from actions taken by Goodwill of Western and Northern Connecticut personnel.

Thank you for interest in Goodwill Business Services.
